TO: MERA Project Oversight Committee
FROM: Dave Jeffries, Special Project Manager
SUBJECT: AGENDA ITEM **D-2**: REPORT ON ROUND TWO PRESENTATIONS TO OTHER ORGANIZATIONS

Recommended Action: Receive, discuss and file Report on Round Two Presentations to Other Organizations.

Background:

As a final review of the upcoming Round II MERA Member presentations, the presentation is being given to four special audiences:

- 1) Marin County Police Chiefs Association: 02/13/2014 by Chief Cusimano
- 2) Marin County Fire Chiefs Association: 02/20/2014 by SPM Jeffries
- 3) Marin County Public Works Association: 02/20/2014 by SPM Jeffries
- 4) Marin County City Managers Association: 02/27/2014 by SPM Jeffries

Discussion:

These special presentations are designed to meet two objectives. First, to provide these important groups an opportunity to participate in the Round II presentations and provide feedback to MERA staff before the presentation is provided to the MERA member agency Councils and Boards. Second, to provide these groups with an overview of the presentation and supporting documents as some of these Chiefs will be involved in the Round II presentations themselves.

At the time of the POC meeting, three of these presentations will have been completed and the fourth, to the City Managers, will occur the day following the POC meeting. Feedback from the first three presentations will be provided verbally at the POC meeting.
