The early part of the session, which was focused on coverage and fire agency concerns, was also attended by representatives of the Marin County Fire Chief's and Police Chief's Associations as well as representatives of the West Marin Fire Agencies.

Following this meeting, the Negotiations Team received a pricing update from Motorola on 10/28/16. The Negotiations Team met twice during the week of 10/31/16 to review and discuss the latest information prior to a next meeting with Motorola.

Concurrently, members of the Negotiations Team and affected agencies are researching the proposed fire station alerting and paging solutions.

A revised proposal and pricing as received from Motorola on 11/23/16. Comments were collected and forwarded to Motorola the week of 11/28/16.
