The notice must give the Landlord/Provider a ten (10) day period of time thereafter in which to successfully perform said work or cure the deficiency. If the Landlord/Provider has not successfully performed the work or cured the deficiency within the ten days specified in the notice, such failure shall constitute a breach of this Agreement and Tenant/Client may terminate this Agreement.

Tenant/Client shall remove all of the aforementioned property at the expiration or termination of this Agreement, and Tenant/Client shall, at its expense, repair any damage to the Building caused by such removal or by the original installation.

ARTICLE 9

Damage to Tenant/Client's Property

9.01 Subject to the provisions of Article 12 of this Agreement, unless the same shall be caused by the negligence or intentional misconduct of Landlord/Provider, its officers, agents or employees, neither Landlord/Provider nor its officers, agents or employees shall be liable to Tenant/Client for any loss of or damage to personal property of Tenant/Client located in the Premises resulting from fire, explosion, steam, gas, electricity, water or moisture in or from any part of the Building, including its roof, walls, ceilings and floors, or from the pipes, appliances, or mechanical and electrical systems in the Building or from any other place or from any other cause, whether or not similar to the foregoing causes.

9.02 Tenant/Client shall immediately notify Landlord/Provider verbally, and promptly thereafter in writing, in the event of any damage to the Building, Premises or Tenant/Client's property resulting from any fire, accident, occurrence or condition in, on or about the Premises or the Building.

ARTICLE 10

Personal Property Taxes

10.01 Tenant/Client shall be liable for and shall pay or reimburse Landlord/Provider for any taxes levied against or attributable to any of Tenant/Client's personal property placed in the Premises.

ARTICLE 11

Insurance; Mutual Waiver of Subrogation

11.01 Landlord/Provider shall obtain and maintain in effect at all times during the term of this Agreement an insurance policy covering all risks of direct physical loss or damage to the Premises and Building and to all alterations, installations, additions and improvements made to or within the Building at Landlord/Provider's cost and expense, to the extent of their full replacement value, as well as general comprehensive liability in an amount no less than One Million Dollars (\$1,000,000.00) per occurrence for bodily injury, personal injury and property damages.

11.02 Tenant/Client, at Tenant/Client's expense, shall obtain and maintain in effect, at all times during the term of this Agreement, an insurance policy covering all risks of direct physical loss or damage to Tenant/Client's personal property in, on or about the Premises to the extent of their full replacement value, as well comprehensive general liability insurance in an amount no less than One Million Dollars (\$1,000,000.00) per occurrence for bodily injury, personal injury and property damages.

11.03 Notwithstanding any other provision of this Agreement, neither Landlord/Provider nor Tenant/Client shall be liable to the other or to any insurance company (by way of subrogation or otherwise) insuring the other party for any loss or damage to any building, structure or other tangible property, or any resulting loss of income or additional expense, even though such loss or damage might have been occasioned by the negligence of such party, its

agents or employees, if such loss or damage is covered by insurance benefiting the party suffering such loss or damage or was required to be covered by insurance pursuant to this Article. If required to make the foregoing waiver of subrogation binding upon their respective insurance carriers, Landlord/Provider and Tenant/Client shall give notice to their respective insurance carriers that such mutual waiver of subrogation is contained in this Agreement. Tenant/Client agrees to cause all other occupants of the Building claiming by, under, or through Tenant/Client to execute and deliver to Landlord/Provider such a waiver of claims and to obtain such waiver of subrogation rights endorsements.

ARTICLE 12

Hold Harmless

12.01 Tenant/Client shall hold harmless and defend Landlord/Provider, its officers, agents and employees, at Tenant/Client's sole cost with counsel reasonably satisfactory to Landlord/Provider, from and against any and all claims, damages or causes of action for damages on account of any injury to or death of any person or any loss of or damage to property occurring in, on or about the Premises at any time during the term of this Agreement, provided such injury, death, loss or damage is not directly caused by the intentional misconduct or negligence of Landlord/Provider, its officers, agents or employees.

12.02 This Article 12 shall survive the expiration or termination of this Agreement. Any subsequent attempt to change this Section 12.03 must be in writing, signed by both Landlord/Provider and Tenant/Client and expressly reference this Section.

ARTICLE 13

Landlord/Provider's Access to Premises

13.01 Landlord/Provider and its employees, contractors, agents, and authorized representatives shall have the right to enter the Premises at any time during emergencies or at other times as necessary to perform support services.

ARTICLE 14

Assignment, Subletting, etc.

14.01 Tenant/Client may not assign, transfer, mortgage or encumber this Agreement, or sublet the Premises or any part thereof, or suffer or permit the Premises or any part thereof to be used or occupied by any other person or entity.

ARTICLE 15

Default and Remedies

15.01 The occurrence of any one of the following shall constitute a default by Tenant/Client under this Agreement: (a) Tenant/Client shall fail to pay and Landlord/Provider has not received any Rent or any other sum payable by Tenant/Client for support services hereunder when due, and such failure is not cured within three (3) business days after Tenant/Client receives written notice thereof from Landlord/Provider (provided, however, that the notice requirement contained in this subsection (a) is not in addition to any legal requirement that notice

be given and may be satisfied by sending the notice required by any applicable law or statute including, but not limited to, Section 1161 of the California Code of Civil Procedure); or (b) Tenant/Client shall fail to perform or comply with any of the other covenants or conditions of this Agreement, and such failure is not cured within thirty (30) days after Tenant/Client receives written notice thereof from Landlord/Provider; provided, however, that if the failure to perform or comply cannot reasonably be cured within thirty (30) days, Tenant/Client shall not be in default if Tenant/Client commences to cure the failure to perform or comply within the thirty (30) day period and diligently and in good faith continues to cure the same thereafter. Notices given by Landlord/Provider to Tenant/Client under this section shall specify the provision(s) of this Agreement with which Tenant/Client is not in compliance, and shall demand that Tenant/Client pay the Rent, sum payable for support services, or perform or comply with any other provision of this Agreement, as the case may be, within the applicable period of time. No such notice shall be deemed a forfeiture or a termination of this Agreement unless it specifically provides therefor.

15.02 If Tenant/Client commits a default under this Agreement, Landlord/ Provider shall have, in addition to any and all other rights and remedies which Landlord/Provider may have under this Agreement, all rights and remedies available at law or in equity:

15.03 The various rights, options, elections, powers and remedies of Landlord/ Provider contained in this Article shall not be deemed to be exclusive; they are cumulative and in addition to any other remedies, rights or priorities contained elsewhere in this Agreement or now or later allowed by law or in equity.

ARTICLE 16

No Waiver

16.01 The failure of Landlord/Provider or Tenant/Client to seek redress for violation of, or to insist upon the strict performance of, any covenant or condition of this Agreement shall not be deemed a waiver by Landlord/Provider or Tenant/Client of its right to such redress for a prior, concurrent or subsequent violation of the same or to subsequently insist upon strict performance of any other covenant or condition of this Agreement. The receipt and acceptance by Landlord/Provider of Rent or sum payable for support services with knowledge of any preceding breach by Tenant/Client of any covenant, term or condition of this Agreement shall not be deemed a waiver of such breach. No provision of this Agreement and no default by Landlord/Provider or Tenant/Client hereunder shall be deemed to have been waived by the other party unless such waiver is in writing and signed by the waiving party.

16.02 No payment by Tenant/Client or receipt and acceptance by Landlord/ Provider of a lesser amount than the Rent or sum payable for support services herein stipulated shall be deemed to be other than on account of the stipulated Rent or sum payable for support services, nor shall any endorsement or statement on any check or any letter accompanying any check or payment of same be deemed an accord and satisfaction, and Landlord/Provider may accept such check or payment without prejudice to Landlord/Provider's right to recover the balance of such Rent or sum payable for support services or pursue any other right or remedy provided herein or at law or in equity.

ARTICLE 17
Litigation Expenses

17.01 In the event any action, suit or proceeding is commenced under or in connection with this Agreement, or for recovery of possession of the Premises, the losing party shall pay to the prevailing party, and the prevailing party shall be entitled to an award for, the reasonable amount of the attorneys' fees, court costs and other litigation expenses incurred by the prevailing party in connection with such action, suit or proceeding.

ARTICLE 18
[Intentionally Omitted]

ARTICLE 19
Damage by Fire or Other Casualty

19.01 If the Premises, the Building or any material portion thereof shall be damaged by fire or other casualty, and if this Agreement is not terminated as herein provided, Landlord/Provider shall proceed with reasonable diligence to repair the damage at its expense, except that any repairs or replacements made to Tenant/Client's property in the Premises, additions, improvements or other alterations to the Premises, other than the additions, improvements and alterations constructed by Tenant/Client at its expense pursuant to Article 2 hereof in preparation of the Premises for Tenant/Client's initial occupancy thereof, shall be made at the expense of Tenant/Client, and the repair or replacement of any property which Tenant/Client is entitled to remove pursuant to Article 8 hereof shall be the responsibility and at the expense of Tenant/Client. Tenant/Client shall not be entitled to compensation or damages on account of annoyance or inconvenience arising out of the making of the repairs which Landlord/Provider is required to make pursuant to this Section.

19.02 During such period as all or any portion of the Premises are rendered untenantable as a result of a fire or other casualty, the Rent shall be ratably abated (based on square footage of the area affected) until the Premises shall be once again wholly tenantable. However, notwithstanding the foregoing, there shall be no abatement in Rent if such fire or other casualty shall have been caused by the gross negligence or intentional misconduct of Tenant/Client or its officers, agents, employees or invitees. Furthermore, in no event shall there be any abatement in Rent for any time required for repairs to additions, improvements or other alterations which are to be made at the expense of Tenant/Client, or to repair or replace any property which Tenant/Client is entitled to remove.

19.03 If the Premises, the Building or any portion thereof shall be damaged by fire or other casualty so as to render the Premises wholly untenantable, and if such damage shall be so great that the Premises, with the exercise of reasonable diligence, cannot be made fit for occupancy within ninety (90) days from the happening thereof, then either Landlord/Provider or Tenant/Client may elect to terminate this Agreement effective as of the date of the occurrence of such damage by giving the other party written notice of such election within thirty (30) days after such date. If such damage occurs during the last year of the term of the Agreement, including any extensions thereof, and if such damage shall be so great that the Premises, with the exercise of reasonable diligence, cannot be made fit for occupancy within sixty (60) days of the

happening thereof, then either Landlord/Provider or Tenant/Client may elect to terminate this Agreement effective as of the date of the occurrence of such damage by giving the other party written notice of such election within thirty (30) days after such date. In the event of any such termination, Tenant/Client shall be given fifteen (15) days to remove its personal property from the Premises, after which Tenant/Client shall surrender the Premises to Landlord/Provider and Landlord/Provider may reenter and take possession of the Premises and remove Tenant/Client and its personal property therefrom. Landlord/Provider and Tenant/Client waive the provisions of any law that would dictate automatic termination or grant either of them an option to terminate in the event of damage or destruction.

19.04 If the Building shall be damaged by fire or other casualty to the extent of thirty percent (30%) or more of the replacement cost thereof, whether or not the Premises were rendered wholly untenable by such damage, Landlord/Provider may elect to terminate this Agreement by giving Tenant/Client written notice of such election within thirty (30) days after the date of the occurrence of such damage. The effective date of such a termination shall be the date specified in such notice by Landlord/Provider, which date shall be not less than thirty (30) nor more than sixty (60) days after the giving of such notice. Tenant/Client shall surrender the Premises to Landlord/Provider on or before the effective date of such a termination, after which date Landlord/Provider may reenter and take possession of the Premises and remove Tenant/Client and its personal property therefrom.

19.05 In the event of any damage to the Premises, Landlord/Provider and Tenant/Client each hereby waive the provisions of Section 1932, Subdivision 2, and of Section 1933, Subdivision 4, of the Civil Code of California.
