DATE: November 18, 2020

TO: MERA Executive Board

FROM: Maureen Cassingham, Executive Officer

SUBJECT: AGENDA ITEM **B-4**: PROPOSED MOTOROLA CHANGE ORDER NO 13:
NEXT GEN OTA SITE

Recommended Action: Approve Proposed Motorola Change Order No. 13 for Next Gen OTA Site design changes in the A&E Package as presented and authorize the Executive Officer to execute same.

Background: MERA Staff solicited the attached Proposed Change Order No. 13 from Motorola Solutions in furtherance of MERA Site Licensing of the Next Gen OTA Site. This Change Order provides for design of the premises second floor for MERA Next Gen Equipment which will include a site survey and floor structural analysis. Location of MERA equipment on the second floor will provide greater security from the other Site tenant. C.O. No. 13 also provides for the redesign of electrical distribution in the equipment room which will include an analysis of existing electrical loads.

Finally, change order work will also include redesign of proposed tower improvements to avoid conflicts with the building footing.

Proposed Change Order No. 13 cost is \$18,041.67, which is payable on delivery and acceptance of the final 100% A&E OTA package.
